RE: MTC TIP Revision No. 2013-15 – Administrative Modification

Dear Mr. Aljabiry:

Please be advised that MTC recently made several changes to the 2013 Federal Transportation Improvement Program (TIP). TIP Revision No. 2013-15 revises 20 projects with a net decrease in funding of approximately \$4.7 million. Among other changes this revision:

- Updates the funding plans of 14 projects funded through the Transit Capital Priorities program to reflect the latest programming decisions;
- Updates the back-up listing of the Highway Bridge Program (HBP) grouped listing (VAR110045); and
- Updates the funding plan of the Town of Danville's Crow Canyon/Camino Tassajara Intersection Improvements project (CC-050075) to reflect past and planned obligations of High Priority Project (HPP) and Transportation Improvement earmark funds.

The administrative modification is financially constrained by year and MTC relies on the State's programming capacity in the amount of \$1.2 million in Transportation Improvement funds.

The TIP revision entries have been emailed to your staff. MTC's 2013 TIP, as revised with Revision No. 2013-15, remains in conformity with the applicable State Implementation Plan (SIP) for air quality and the revision does not interfere with the timely implementation of the Transportation Control Measures contained in the SIP.

The projects that are included in this administrative modification are not included in any other amendment that is open for public review. MTC's 2013 TIP, including the proposed Revision No. 2013-15, is consistent with metropolitan transportation planning regulations per 23 Code of Federal Regulations Part 450 and conforms to MTC's Regional Transportation Plan (Plan Bay Area).

Under the delegated authority received from Caltrans, I approve this administrative modification to the Federal Statewide Transportation Program (FSTIP). This revision is consistent with the approved Administrative Modifications/Amendments Guidelines and Procedures.

If you have any questions regarding this revision, please contact Adam Crenshaw of my staff at (510) 817-5794.

Sincerely,
